ALPHA KAPPA GAMMA

The Clara Barton Circle of Alpha Kappa Gamma, honorary leadership fraternity, was established in 1941. Membership in this organization is one of the highest honors that can come to a Columbia College girl.

Membership in Alpha Kappa Gamma is limited to a select group of Juniors and Seniors. Character is the first requisite for membership. Other requirements are service, campus leadership, and social leadership.

The purpose of the fraternity is to foster high ideals and standards among the leaders in the College, to promote coordination of College activities and organizations, to preserve the ideals and traditions of the College, and to bring together the students and faculty on a basis of mutual interest and understanding.
